EVO-31 EXPLORER

The **EVO-31 Explorer** is a refined and compact explorer yacht that embodies Hydro Tec's expertise in designing vessels that seamlessly combine elegance and exceptional functionality. Special attention has been given to both design and performance: its sturdy yet sophisticated steel and aluminum hull is perfectly suited for long-range sea voyages.

The spacious layout ensures comfortable accommodation for up to 12 guests, while separate crew quarters for six provide a high level of service on board. Designed for extended cruising, the **EVO-31** boasts an impressive range of 4,000 nautical miles at a speed of 10 knots, powered by twin Caterpillar C18 engines with a combined output of 1,066 kW.

Well-designed deck spaces are tailored for relaxation and entertainment, with a unique bow pool adding to the yacht's luxurious amenities. Whether embarking on an extended ocean voyage or a coastal cruise, the **EVO-31 Explorer** offers the perfect balance of innovation, style, and practicality.
