TARGA 50 OPEN

The **Fairline Targa 50 Open** is a dynamic, open-cockpit cruiser designed for owners who value thrilling performance, sleek design, and seamless onboard comfort. Part of **Fairline's** acclaimed 50-foot range, this model stands out with its bold profile and versatile deck layout - crafted for sun-filled days on the water and lively social gatherings.

Power comes from twin Volvo Penta IPS engines, available in either IPS650 or IPS700 configurations. With a top speed of up to 34 knots, the yacht delivers impressive agility and responsive handling. The joystick docking system ensures effortless maneuverability, even in tight harbors, making this an ideal choice for owner-drivers. The main deck features an open cockpit layout beneath a stylish hardtop, offering flexible space for entertaining and relaxing. A teak folding dining table forms the centerpiece, paired with a cockpit bar that complements the well-appointed galley below deck. The layout encourages social interaction while allowing for quick transformation between lounging, dining, and cruising modes.

The interior exudes modern elegance, with a curated selection of natural materials including wood, leather, and woven textures. Owners can choose from a variety of color schemes inspired by Mediterranean and oceanic hues, lending a bespoke touch to the onboard ambiance.

Accommodation includes a full-beam master stateroom, a forward guest cabin, and an optional twin guest cabin, comfortably sleeping up to seven guests. Each space is designed with privacy and tranquility in mind, without compromising on space or style.

The Premium Pack adds a host of upgrades, such as a hydraulic swim platform, high-capacity air conditioning, a 12" navigation display, Bluetooth audio system, and enhanced LED lighting for outdoor enjoyment.

The **Targa 50 Open** is tailor-made for adventurous owners seeking a vibrant yachting lifestyle with a strong connection to the sea - without sacrificing the comforts of home or the latest marine technology.
