MOTOR YACHT

BURKUT

BURKUT is a 54-metre full-displacement motor yacht built by the renowned Italian shipyard **Baglietto** and delivered in 2009. Designed by Francesco Paszkowski as part of the Baglietto Steel Hull Full Displacement series, she features a robust steel hull and aluminium superstructure, combining strength and elegance. Following a comprehensive refit in 2021, **BURKUT** is presented in excellent condition and remains fully compliant with Lloyd's Register and MCA classification standards. She boasts a transoceanic range of 4,500 nautical miles at 12 knots, making her an ideal platform for long-range cruising.

BURKUT accommodates 10 guests in five cabins, including a full-beam master suite on the main deck, which features a private office, lounge, en suite bathroom, and fold-out balconies on both port and starboard sides. On the lower deck, there are three double cabins and one twin, each with its own bathroom. The yacht also offers crew quarters for up to 13 crew in seven cabins, ensuring high standards of service. The interiors are finished in a timeless, classic style with high-gloss woodwork, neutral tones, and elegant detailing. The main deck salon is divided into a comfortable lounge and a formal dining area, creating a warm and refined atmosphere. A guest elevator connects all decks, and the layout has been thoughtfully designed for accessibility, accommodating guests with reduced mobility.

Outdoor living is equally well-considered:

- The sun deck features a gym, Jacuzzi, and sun loungers.
- The bridge deck offers an al fresco dining area and a casual lounge.
- The main deck aft provides another space for relaxing and entertaining.

A stern garage stores a tender and water toys, and zero-speed stabilisers enhance onboard comfort both underway and at anchor. Powered by twin Caterpillar 3516B engines, each producing 2,000 hp, **BURKUT** achieves a top speed of 15 knots and cruises efficiently at 12 knots. With a draft of 3.2 metres and a gross tonnage of 733 GT, she offers generous volume while remaining seaworthy and versatile.

BURKUT is a fully equipped superyacht with proven ocean-going capability, blending Italian craftsmanship with technical excellence. Ideal for private owners or charter use, she delivers comfort, sophistication, and reliability across the globe.
