NO DESTINATION

NO DESTINATION is a 37.5-meter explorer yacht originally built in 2009 by **Damen** as a Royal Navy crew support vessel. In 2022, she underwent a full transformation at Multiship Holland, converting her into a modern expedition yacht with Bureau Veritas unlimited navigation certification. Her hull was extended by 4.5 meters, an A-frame crane with a 5.5-ton capacity was installed, and her exterior was redesigned by Azure Yacht Design. With an aluminum hull, robust technical platform, and advanced navigation systems, **NO DESTINATION** is purpose-built for long-range cruising, autonomous travel, and operation in remote environments.

Her interiors, styled by SuperNova Luxury Interiors and Just Design Studio, reflect a calm, understated aesthetic with a focus on comfort and functionality. The main deck features a full-beam salon that combines a lounge area with an entertainment system and storage pantry. Another salon is located on the bridge deck, connected to the wheelhouse. The forward section of the main deck is dedicated to a spacious master suite with a private office, walk-in wardrobe, skylight, and a bathroom with a steam shower. Aft are two additional guest cabins - one double and one triple - each with ensuite bathrooms. Accommodation for four crew is provided in two well-appointed cabins.

Outdoor areas are designed for extended time aboard and active use. A foredeck jacuzzi offers panoramic views, while the aft deck includes a shaded dining area with barbecue. The aft platform doubles as a multifunctional space that can be used for fitness, relaxation, or gear storage when tenders are launched.

Powered by twin 1400 hp Caterpillar C32 diesel engines, **NO DESTINATION** reaches a top speed of 22 knots and has a range of up to 3,500 nautical miles at a cruising speed of 10 knots. Stability at sea and at anchor is ensured by Humphree interceptors and advanced stabilizers.

She carries an extensive array of equipment for water sports and exploration, including an 8.5-meter Munson Packcat tender, a 5.5-meter Zodiac RIB, a Hobie sailing catamaran, two Sea-Doo jet skis, diving and snorkeling gear, fishing equipment, electric bicycles, and more, making her ideal for adventure-focused charters and long-range expeditions.
