### **YXT 34**

YXT 34, built by Lynx Yachts, is a robust and versatile 33.8-meter support vessel designed for active owners who value durability, high performance, and maximum functionality. This yacht serves as a dynamic platform for exploration and tender support, offering extensive storage capacity and customization options. The main deck spans an impressive 145 square meters, covered with durable nonslip material, providing virtually unlimited space for carrying a wide range of equipment. It can accommodate a large RIB, a tender, four WaveRunner jet skis, and even a submarine simultaneously. Additionally, the deck can be used to transport containers with spare parts. A panoramic 360-degree view from this deck greatly enhances navigation and maneuvering, especially in marinas and confined spaces. YXT 34 is equipped with a powerful crane capable of lifting up to 15.2 tons at 3.5 meters height and 4.2 tons at 11.4 meters, ensuring safe and efficient handling of heavy equipment and gear. The lower deck houses three multifunctional cabins of 14.5 square meters each, which can be adapted to meet the owner's specific requirements. One of the configurations includes a fully equipped laundry area with ironing stations, washers, dryers, and a cold storage room. The aft machinery space features a spacious 62-square-meter garage designed to store inflatable toys, surfboards, kayaks, and diving equipment. With a gross tonnage of 199 tons, a beam of 8.85 meters, and a fuel capacity of 52,000 liters, YXT 34 showcases unmatched capabilities as a support vessel, combining elegant design with maximum practicality and reliability.

### **SPECIFICATION**

SHIPYARD, MODEL	Lynx YXT 34
BUILT	2026
LENGTH	33.8 m
