ALI BABA

ALI BABA is a 50-metre motor yacht built by **ISA Yachts** in 2012 and extensively refitted between 2022 and 2023. Featuring exterior styling by Andrea Vallicelli and interiors by Francesco Paszkowski, she offers a refined balance of timeless elegance and modern sophistication.
Her steel hull, teak decks, and meticulous craftsmanship underscore her build quality. With a beam of 8.6 metres and a gross tonnage of 498 GT, **ALI BABA** boasts expansive and comfortable interior volumes. Powered by twin Caterpillar engines, she cruises at 12.5 knots and reaches a top speed of 17 knots. A transatlantic range of up to 4,500 nautical miles makes her ideally suited for long-distance cruising.
Up to 12 guests can be accommodated across six luxurious staterooms, including a spacious main deck master suite with a private lounge area and walk-in wardrobe. The interiors are finished in a warm, welcoming colour palette. A professional crew of nine is housed in five forward crew cabins, ensuring seamless service and guest privacy.
Outdoor spaces are thoughtfully arranged for relaxation and entertainment, including sun loungers, al fresco dining areas, and a fully-equipped sundeck with a bar and barbecue. **ALI BABA** also offers an impressive collection of water toys: a JFA tender, two Seadoo GTX jet skis, four Seabobs, two Fliteboards, a water slide, inflatable platforms, and diving equipment.
Her advanced technical suite includes navigation and communication systems by Furuno, Simrad, and Inmarsat, along with autopilot, AIS, and a weather station. Safety equipment complies with RINA standards.
Onboard entertainment is state-of-the-art, featuring Samsung 4K TVs, Bowers & Wilkins audio, Apple TV, Blu-ray players, and centralized iPad control. The galley is equipped with top-tier appliances from Miele, Gaggenau, and Liebherr, enabling restaurant-quality dining experiences.
ALI BABA is a standout blend of design, performance, and comfort. With her recent upgrades and high-spec features, she is an attractive choice for both private ownership and luxury charter use.
