MY SISA

MY SISA is a 43.6-metre motor yacht from the **Benetti Vision 145** series, launched in 2010 by the renowned Italian shipyard **Benetti**. Blending timeless Italian design with exceptional onboard comfort, she represents a refined yachting experience. Her exterior was designed by Stefano Righini, while the elegant interior was styled by Zuretti Design. With sleek lines and a well-conceived layout across three spacious decks, **SISA** features a composite GRP hull and superstructure and boasts a gross tonnage of 456 GT. Generous outdoor areas include multiple lounge and dining zones, a sundeck with Jacuzzi, and a swim platform at water level—ideal for relaxing or accessing the sea.

The interiors are finished in a warm, neutral palette using high-quality materials. Thoughtfully laid out to enhance privacy and natural light, the spaces are equally suited to hosting guests or enjoying quiet family cruises. **MY SISA** accommodates up to 12 guests in six cabins, including a full-beam master suite, three VIP cabins, and two guest doubles. An additional multipurpose cabin can be used for staff or accompanying personnel. A crew of nine is housed in a separate dedicated area to ensure excellent service and discretion.

Powered by twin Caterpillar C32 ACERT engines of 1,300 hp each, she cruises comfortably at 12 knots and reaches a top speed of 15 knots. At-anchor stabilisers enhance comfort during extended stays in calm bays or remote destinations. Built to ABS classification and MCA-compliant, **MY SISA** is an ideal vessel for both private ownership and commercial charter operations.
