SURVIVOR OF LONDON

SURVIVOR OF LONDON — a 2022 **Pershing 8X** that combines exhilarating performance, contemporary styling and Italian craftsmanship. Powered by twin MTU 12V 2000 M96L engines of 2,638 hp each, she cruises at 41 knots and reaches up to 48 knots. Her lightweight carbon-fibre superstructure and silver GRP hull create an unmistakable, sporty profile.

She accommodates eight guests in four cabins with three bathrooms, plus two crew cabins for three crew members. Interiors by Fulvio De Simoni, customised by the owner, blend Pershing's signature sporty style with refined finishes. Large windows and an open-plan layout create seamless indoor-outdoor living.

Key features include a Seakeeper gyroscopic stabiliser, Dynamic Positioning, Easy Dock, upgraded Idromar watermaker, Williams 345 SportJet tender, premium exterior sound system and refreshed décor. Built to MCA standards with MTU engines under warranty until April 2027, **SURVIVOR OF LONDON** represents a rare opportunity to acquire a **Pershing 8X** in pristine condition with very low engine hours.
