EL PECADO

EL PECADO — a motor yacht built by **Maiora** in 2014 and comprehensively refitted in 2024. With VAT paid and a history of strictly private use, she is in excellent condition. Powered by twin MAN 12V-1360 Common Rail diesel engines, she cruises at 22 knots and reaches 26 knots.

She accommodates up to nine guests in four cabins: a full-beam master suite, a forward VIP cabin and two guest cabins, one with an additional Pullman berth. Crew quarters for four include two cabins, a bathroom and a crew mess. Zero Speed Fins stabilisers ensure comfort at anchor. A Williams 345 Jet tender (new in 2020) is housed in the garage.

Her GRP hull and superstructure, designed by Roberto Del Re, are complemented by hydraulic bow and stern thrusters, Furuno navigation, CCTV and Miele appliances in the galley. Exterior decks offer a flybridge grill, sun loungers and a swim platform for easy access to the sea.
