MOTOR YACHT

KOKORO

KOKORO is a 36-metre **Moonen 122 Martinique** launched in 2020. Her steel hull and aluminium superstructure ensure strength and efficiency, while teak decks, large windows, and a thoughtful layout create a bright, comfortable interior. She accommodates up to 12 guests in five cabins, including a full-beam owner's suite on the main deck, two VIP cabins, and two guest cabins with additional Pullman beds. The main salon flows seamlessly into the dining area, while the sky lounge and exterior deck spaces — including the sundeck, bow, and aft areas of the main and upper decks — offer flexible options for relaxation and entertainment. The port-side garage houses a 6-metre (19.7 ft) tender with additional space for jet skis. Powered by twin Caterpillar C32 ACERT engines, **KOKORO** reaches a top speed of 16.5 knots and a range of 4,000 nautical miles at 14.5 knots. Bow thrusters and CMC stabilizers ensure comfort both underway and at anchor. Equipped with modern navigation, climate control, entertainment, and safety systems, she is ready for extended transoceanic cruising. **KOKORO** combines reliability, style, and comfort, offering a turnkey yacht for long-range adventures at any time.
