MERCY OCEANS

MERCY OCEANS is a 35.2-metre **Sunseeker 116 Yacht** delivered in 2018 — one of the shipyard's most sought-after models. Built to high technical standards and showing minimal engine hours, she represents a rare opportunity to acquire a yacht in virtually "as-new" condition.

She accommodates up to 10 guests in five staterooms: a full-beam master suite on the main deck, two VIP staterooms and two twin cabins each with Pullman berths. The main salon, with its 180-degree floor-to-ceiling windows, skylights and sliding doors, flows seamlessly onto the aft deck. A stylish lounge with pop-up TV and a dining area for 10 guests create a welcoming ambience, while a bar connecting directly to the aft deck enhances the indoor-outdoor lifestyle.

Outdoor spaces include a spacious flybridge with retractable sunshade, panoramic sunpads, a second bar and multiple lounge and dining areas. Forward, a private bow lounge features a Jacuzzi, sunpads and sofas.

MERCY OCEANS was built to LY3 Commercial Class and RINA standards. She is equipped with upgraded stabilisers, a tropical air-conditioning system with silent fans, an enhanced security system and a state-of-the-art AV package. Twin MTU 16V 2000 M96L engines deliver a comfortable cruising speed of 12 knots, a top speed of 26 knots and a range of 1,250 nautical miles.
