INSIGNIA

INSIGNIA is a **115 Sport Yacht** built by **Sunseeker** in 2015. Combining a dynamic, sporty profile with a high level of comfort, she represents the pinnacle of the shipyard's craftsmanship. With a raised pilothouse, a master suite on the main deck and accommodation for up to ten guests, she is equally well suited to private cruising or charter operations.

Her interior is finished in high-gloss American walnut, creating a contemporary yet welcoming atmosphere. A spacious open-plan main salon flows seamlessly into a formal dining area for ten, while full-height sliding doors open onto fold-out balconies on both sides, filling the space with natural light.

INSIGNIA's exterior areas offer multiple places to relax and entertain. The aft cockpit is ideal for alfresco dining, while the tender garage converts into a beach club with an upgraded shower. The flybridge features dual helm stations, a bar, ice maker and a hexagonal Jacuzzi with extended sunpads beneath a retractable hardtop.

Her garage carries an extensive water toy collection including a Williams 505 DieselJet tender, two SeaDoo Spark jet skis and two Cayago F5 SeaBobs, allowing guests to enjoy active days on the water.

Powered by twin MTU 16V 2000 M94 diesel engines, **INSIGNIA** cruises at 17 knots with a top speed of 24–25 knots. The Platinum Upgrade package includes stabilisers, bow and stern thrusters, tropical-spec air conditioning, enlarged fuel tanks, underwater lighting, Miele appliances, CCTV and numerous other features enhancing comfort and safety on board.
