MOTOR YACHT

FATIMA

The 33.53m motor yacht **FATIMA (Riva 110' Dolcevit)** was launched in 2018 and has remained under the care of a single private owner and professional captain since new. Maintained in immaculate condition, she stands out as one of the most customized yachts of her class.

Her interior, a collaboration between **Riva's** design team and the owner, showcases a high degree of personalization. Unique Fornasetti wall panels, **Riva's** signature mahogany-and-maple parquet flooring, Brazilian sodalite marble, and bespoke designer furnishings create a distinctive and luxurious atmosphere. A major layout modification replaced the standard two cabins with a full-beam VIP suite on the lower deck.

FATIMA accommodates up to eight guests in four cabins, with three crew cabins for five crew. Each space is equipped with a state-of-the-art multimedia system, Apple TV integration, iPad controls, and onboard CCTV.

Twin MTU 16V 2000 M96L engines of 2,638 hp each deliver a cruising speed of 23 knots and a top speed of 26 knots. Comfort is enhanced by Seakeeper NG16 gyro stabilizers, TRAC fin stabilizers, tropical-class air conditioning, and upgraded generators.

Her exterior, finished in **Riva's** signature Shark Grey by Officina Italiana Design, reflects the sleek **Dolcevit** profile. Sunbeds and dining areas are located on the flybridge and foredeck, while the cockpit features a comfortable lounge with direct access to the swim platform. The garage houses a Williams 505 DieselJet tender and an integrated refueling station.

FATIMA represents a rare opportunity to acquire a highly customized **Riva 110' Dolcevit** in pristine condition.
