LE GYPSY

LE GYPSY is a 33-metre **Sanlorenzo** motor yacht, hull #700 of the **SL102A** series, launched in 2018. Featuring an asymmetric layout that maximises interior volume and opens up panoramic views, she is currently located in Antibes, France, and is offered in excellent condition.

Accommodation is for up to 10 guests in five cabins. The full-beam owner's suite on the main deck provides direct access to the yacht's social areas, while four guest cabins on the lower deck ensure privacy. Crew quarters comprise three cabins for five crew members, with separate entrances and service areas.

Powered by twin MTU 16V 2000 M96 engines of 2,434 hp each, **LE GYPSY** achieves a cruising speed of 20 knots and a maximum of 27 knots, with a range of 1,350 nautical miles at 10 knots.

The custom interior features elegant wood paneling, parquet flooring in the salon, electric blinds, and a side balcony. Exterior areas include multiple dining zones, sunbathing areas, and lounge spaces.

Fully compliant with RINA classification, with minimal engine hours, **LE GYPSY** combines innovative design, high performance, and functional living spaces, making her an exceptional option for private cruising or charter.
