MOTOR YACHT

ANTALIS

Built by **Baglietto** and launched in 2007, **ANTALIS** is a 49.7-metre motor yacht with a gross tonnage of 635 GT. Her steel hull and aluminium superstructure provide outstanding strength and durability, while the exterior by Studio Arnaboldi and interiors by Della Role Design blend Italian craftsmanship with maximum functionality.

Her expansive outdoor areas include a sun deck with Jacuzzi and panoramic sunbathing area, a generous al-fresco dining space on the upper aft deck, and a relaxed lounge on the main aft deck leading seamlessly down to a well-equipped beach club.

ANTALIS accommodates up to 10 guests in five staterooms, including a full-beam owner's suite on the main deck. The lower deck hosts two VIP cabins and two guest cabins, all with en-suite bathrooms. A crew of 10 ensures exceptional service on board.

Powered by twin Caterpillar 3512B HD diesel engines of 1,342 hp each, she cruises at 14 knots with a maximum speed of 16.5 knots and a transoceanic range of up to 6,000 nautical miles. Substantial fuel and water capacities allow extended passages with ease.

Combining proven engineering, a well-designed layout, and high levels of comfort, **ANTALIS** is an attractive choice for both private ownership and charter programmes.
