RIO

Launched in 2022 by **CRN**, the 62-metre superyacht **RIO** combines an elegant silhouette with bright, spacious interiors. Her exterior, designed by Omega Architects, features contemporary lines, while the interiors by Pulina Exclusive Interiors are flooded with natural light, creating a welcoming and comfortable atmosphere on board. **RIO** is powered by twin Caterpillar 3512C ACERT engines, delivering a cruising speed of 12 knots and a maximum speed of 15 knots. She accommodates up to 12 guests in six staterooms, including an owner's suite on the upper deck, offering a private retreat with a study, his-and-hers bathrooms, and walk-in wardrobes. VIP and guest cabins on the main and lower decks provide flexible accommodation options. Social areas are thoughtfully designed for relaxation and entertainment. The main salon features floor-to-ceiling windows, while the sky lounge offers panoramic views. Exterior spaces include Jacuzzi, dining and lounge areas, and a forward private lounge. Bars on each deck are finished with rare marbles, adding subtle touches of luxury. The beach club is equipped with a hammam, steam shower, and massage area, creating the ultimate wellness experience. With her combination of contemporary design, luxurious interiors, and versatile entertainment spaces, **RIO** offers a refined and comfortable superyacht experience.
