MOTOR YACHT

MIRKA

MIRKA is a 28.2-metre **Sunseeker** motor yacht combining high performance, contemporary style and guest comfort. Powered by twin MTU 12V 2000 M94 engines of 1,935 hp each, she reaches a top speed of 26 knots, while zero-speed stabilisers ensure excellent stability at anchor and a smooth experience on board.

Her interior is finished in a modern style with panoramic glazing, creating a bright and airy atmosphere. A fold-out balcony in the main salon brings the outdoors in, enhancing the connection with the sea. The yacht is equipped with a new Starlink system for reliable high-speed internet and an upgraded audio system delivering premium sound throughout. The dining area flows seamlessly into the spacious lounge on the main deck.

Exterior decks feature foredeck sunpads, a cosy cockpit lounge, and an al fresco dining area on the flybridge. Following a 2023 refit, **MIRKA** is in excellent condition and accommodates up to eight guests in four cabins. Separate crew quarters for four are arranged across two cabins, ensuring a high standard of service on board.
