MAGIC OF AYR

MAGIC of AYR is a 27.9-metre **Pershing 9X** launched in 2021, built in lightweight carbon fibre and finished in an elegant grey-silver hull colour. Designed by Fulvio De Simoni, her sleek, dynamic lines and expansive panoramic glazing flood the interior with natural light, creating a seamless connection with the sea.

Powered by twin MTU 16V 2000 M96L engines of 2,638 hp each, she delivers exhilarating performance with speeds in excess of 40 knots. Her layout features a spacious main salon with a contemporary helm station, a full-beam owner's suite, two VIP cabins, and a guest cabin with an additional berth. A separate entrance leads to the crew area, which includes a fully equipped galley.

Outdoor spaces are designed for relaxation and entertaining, with soft lounge seating and sunpads on the flybridge and foredeck, while the cockpit provides the perfect setting for al fresco dining. Maintained under the care of a professional crew, **MAGIC of AYR** is in excellent condition and ready for immediate sale and handover to her next owner.
