SEXY ME

SEXY ME is the flagship of **Otam's** new **90 GTS** series, launched in 2024. This 27.75-metre high-performance motor yacht perfectly combines exhilarating speed with bespoke Italian design. Built to the exacting specifications of an experienced owner, she embodies **Otam's** philosophy of fully custom yachts and is ready for immediate delivery.

Her sleek Aramat-Kevlar hull features a metallic silver finish with bronze accents, protected by a transparent film, highlighting both modern elegance and power. Exterior styling is by BG Design Firm, with naval architecture by Umberto Tagliavini and Aldo Scorzoni. Twin MTU 16V 2000 M96L engines deliver speeds in excess of 42 knots, with a comfortable cruising speed of around 36 knots. Thoughtful insulation ensures quiet, smooth passage, while a Seakeeper 26 stabilizer provides comfort at anchor.

Inside, **SEXY ME** showcases the artistry of Italian craftsmanship: marble, travertine, and custom parquet floors create an interior that is both contemporary and timeless. Accommodation is for guests in three cabins, including a full-beam lower-deck owner's suite, a spacious VIP cabin, and a twin cabin, with two dedicated crew cabins.

Exterior spaces are designed for relaxation and entertainment. The cockpit features a generous sunbathing area with direct access to the swim platform, while the foredeck lounge is perfect for al fresco dining or sunset cocktails.

SEXY ME combines bold styling, high-speed performance, and meticulously crafted interiors, making her ideal for private ownership or as a support and chase yacht.
