AMARA

Built in 2009, the **Sunseeker Predator 84 AMARA** is presented in excellent condition and offered fully equipped for immediate use. She accommodates up to 8 guests in 4 staterooms, with separate quarters for 3 crew members. Her interiors combine functionality and comfort, crafted with high-quality materials.

The main salon and cockpit create a unified open space thanks to a retractable roof, seamlessly connecting with the aft deck. The flybridge features an additional helm station along with extra lounging areas for relaxation.

Powered by twin MTU 16V 2000 M93 engines of 2,400 hp each, **AMARA** reaches a cruising speed of 24 knots and a top speed of up to 34 knots. Her planing GRP hull and stabilizers ensure both strong performance and comfort at sea.

Her technical equipment includes two Kohler generators, two Idromar watermakers, ABT-Trac stabilizers, and a Raymarine navigation package. For on-water fun, **AMARA** comes with a Williams 460 Sport Jet tender, a garage, and a hydraulic swim platform. **AMARA** represents a well-balanced combination of performance, functionality, and premium equipment.
