MOTOR YACHT

OKAMI

OKAMI is a 29.7-meter flybridge yacht, built by **Custom Line** in 2009 and fully refitted in 2016. The hull features a deep blue Awlgrip finish, giving the yacht a sleek and elegant profile.

She accommodates up to 10 guests in five cabins, including a full-beam main deck master suite, two VIP cabins, and two twin cabins, all with en suite bathrooms. A crew of five provides professional service and ensures a comfortable stay.

Outdoor areas include a flybridge with a dining area and sunbathing space, a cockpit with an open lounge, and a hydraulic swim platform for easy water access and tender operations.

Powered by two MTU 16V 2000 M93 engines, **OKAMI** reaches a cruising speed of 16 knots and a maximum of 25 knots. Zero-speed stabilizers and bow and stern thrusters provide comfort and safe handling in all conditions.

OKAMI combines elegant design, thoughtful interior and exterior layouts, and strong performance, offering a stylish and comfortable yachting experience.
