MAJESTY 72

Majesty 72 is a 22-meter motor yacht built in 2023 by **Gulf Craft**, representing a new generation of family yachts focused on comfort, functionality, and contemporary design. With a beam of nearly 6 meters, she offers interior volumes comparable to larger vessels in her class.

Expansive windows and an open-plan main deck seamlessly combine the salon, dining area, and galley, creating panoramic 360-degree views and a strong sense of connection with the sea. The flybridge provides an inviting space for alfresco dining and relaxation while cruising.

Accommodation is provided for eight guests in four cabins, along with two crew members in separate quarters. All guest cabins are decorated in soft, neutral tones with high-quality finishes and materials.

Powered by twin MAN V12-1550 engines, **Majesty 72** delivers strong performance and stability at sea. Positioned between the Majesty 62 and Majesty 90, this model embodies the signature design DNA of **Majesty Yachts**, offering a balanced blend of size, comfort, and efficiency — an ideal choice for owners seeking a versatile and capable yacht for family cruising or private enjoyment.
