MOTOR YACHT

COOKIE

The **Maiera 84' Fly COOKIE** is a 24-meter motor yacht, originally built in 2002 and extensively refitted in 2022. The exterior design was crafted by **Roberto del Re**, while the interiors were developed by the **Maiera Design Team**.

COOKIE accommodates up to nine guests in four cabins, each with its own en-suite bathroom. The layout includes a full-beam owner's cabin, a VIP cabin, a double cabin, and a triple cabin. Crew quarters are separate, ensuring guest privacy and efficient service. The main saloon flows directly onto the aft deck, creating a seamless space for relaxation and al fresco dining.

The yacht is powered by two MTU 12V2000M91 diesel engines, each producing 1,500 hp, allowing for a top speed of 27 knots. Fuel capacity is 3,785 liters, with a fresh water tank of 1,120 liters. She is equipped with two 27 kW generators, with an average consumption of approximately 120 liters per day.

Navigation and communication systems are suitable for both private use and charter operations. For water sports enthusiasts, the yacht includes a jet ski for on-the-water fun.
