SERENISSIMA I

SERENISSIMA I is a 47-meter, three-deck yacht, launched in August 2024 by **Mengi Yay**. The hull architecture was developed by Van Oossanen, while the exterior and interior were designed by Nuvolari Lenard. Built to commercial standards and RINA-classed, the yacht accommodates 10 guests in five cabins and a crew of 9 in five cabins, including a separate captain's cabin.

The upper deck aft hosts the owner's suite, complete with a walk-in wardrobe, en-suite bathroom, and private terrace featuring a Jacuzzi, sun loungers, and dining area. The main deck offers a spacious salon and aft dining area, a guest lobby amidships, and a cinema with a retractable balcony and wine cellar forward. On the lower deck, there are four guest cabins: forward doubles with en-suite bathrooms and aft cabins that can be combined into a VIP suite. All decks are connected via central staircase and elevator.

Exterior spaces include a sun deck with glass partitions, foredeck Jacuzzi with sun loungers, dining for 10, and seating areas around a fireplace. The upper deck offers a private owner's zone accessible directly from the master suite. The aft main deck features the primary tender garage, an additional lounge area, and central stairs to the swim platform, while a secondary garage accommodates a rescue tender and jet skis.

The yacht is equipped with a lift, fully equipped galley with Miele and Liebherr appliances, cold storage, wine cellar, cinema, Sonos and Bose audio systems, Samsung 4K/QLED TVs on all decks, and integrated Lutron lighting.

SERENISSIMA I combines commercial certification, contemporary design, and advanced technology, offering comfortable long-range cruising for both guests and crew.
