MOTOR YACHT

AQUILA

AQUILA is a 36.5-meter wooden motor yacht, built by **Mengi Yay** in 2015 and fully refitted in 2024. The yacht combines classic craftsmanship with modern engineering, ensuring reliability and comfort for long-range cruising. Hull architecture was designed by Ginton, while the interiors were refreshed by designer İbrahim Konya, creating functional and spacious areas for up to 10 guests in five cabins. Accommodation for the crew includes three cabins for five crew members. Outdoor areas include a flybridge with open and enclosed lounges and a large cockpit dining area.

The 2024 refit included a full repaint, modernization of mechanical and electrical systems, and a contemporary interior upgrade, ensuring high performance and comfort. The yacht is powered by two Caterpillar C32 engines of 1,925 hp each, providing a maximum speed of 21 knots and a cruising speed of 17 knots.

AQUILA blends classic elegance with modern functionality, is ready for immediate use, and is suitable for long-range voyages.
