MOTOR YACHT

NORTH

NORTH — a **Sanlorenzo SX88** motor yacht, presented in pristine condition with minimal engine hours. Following a comprehensive interior and exterior refit in 2025, this yacht combines unique design, innovative layout, and unmatched comfort, standing out among **SX88** models.

The open-plan main salon seamlessly integrates the updated dining area with the main deck lounge and flows directly to the beach club. The flybridge features a full bar, Teppanyaki grill, hardtop, sliding windows, and a pop-up TV for ultimate entertainment.

The lower deck accommodates 8 guests in 4 cabins, including a full-beam master suite, a VIP cabin, and two guest cabins, each with en-suite facilities. The crew quarters consist of 2 separate cabins, ensuring high-quality service.

Powered by three Volvo IPS 1050 engines (800 hp each), **NORTH** achieves a cruising speed of 20 knots and a top speed of 24 knots, with effective stabilization underway and at anchor. The yacht includes a tender and a jet ski.

NORTH represents a rare opportunity to own a fully customized **SX88**, ready for immediate enjoyment.
