MOTOR YACHT

ALBATOR 2

ALBATOR 2 — an elegant **Posillipo Technema 95'** motor yacht, built in 2005 and extensively refitted during 2023–2024. Modern systems and finishes blend seamlessly with timeless Italian craftsmanship.

The yacht offers accommodation for 12 guests in 5 cabins, including a full-beam owner's suite on the main deck, 2 full-beam VIP cabins on the lower deck, and 2 guest cabins. 4 crew members ensure top-level service. The main salon and exterior spaces are thoughtfully designed for relaxation and entertainment. The flybridge features a jacuzzi and TV, while the bow and aft decks provide additional sunbathing and dining areas. A hydraulic swim platform doubles as a tender garage and beach club.

Powered by two MTU 12V396 engines, **ALBATOR 2** reaches a cruising speed of 23 knots and a maximum of 28 knots, with a shallow draft granting access to secluded bays. New Kohler generators, updated loungers and cushions, and modern lighting and audio systems make **ALBATOR 2** a well-equipped and highly comfortable yacht.
