MOTOR YACHT

B.LOFT 58M

The **Benetti B.Loft 58M** is a new 58-metre motor yacht that embodies the philosophy of a modern loft on the water. Designed by Cassetta Yacht Designers, she redefines the relationship between space and transparency, creating a unique sense of freedom and constant connection with the sea.

The central feature of the concept is the innovative 120 m² Cabana Club - a bright beach-style area with glass walls and a transparent pool floor, open on three sides to provide a 180° panoramic view and direct access to four VIP cabins on the lower deck.

The main deck features a spacious open-plan lounge that flows seamlessly onto the terrace, while the Sky Lounge, with double-height windows and exceptionally high ceilings, serves as the architectural centerpiece of the yacht - a bright and airy space for relaxation and entertaining.

Accommodation is provided for 12 guests in six cabins, with quarters for 13 crew members. Powered by twin CAT C32 engines (1,193 kW each), the yacht offers a range of up to 4,800 nautical miles at 11 knots, combining efficiency, comfort, and refined contemporary design.
