MOTOR YACHT

SIRENA 35M

The **Sirena 35M** is a 35-metre motor superyacht with a steel hull and aluminium superstructure, designed for long-range cruising. With a beam of 8.35 metres and a displacement of 357 GT, she offers stability, spacious interiors, and ease of movement on board.

Accommodation is arranged for up to 10 guests in five cabins, including a master suite and four guest cabins with ensuite bathrooms. The crew of five is housed in separate quarters, ensuring high-quality service and guest privacy. The main deck features a combined salon and dining area, creating a generous space for relaxation.

Performance allows confident passage planning, with a cruising speed of 10–12 knots, maximum speed of 14–15 knots, and a range of approximately 3,800 nautical miles. The stabilization system ensures smooth and comfortable passages for guests and crew.

Equipped with modern navigation and technical systems, the yacht is fully capable of safe long-distance cruising. The **Sirena 35M** can be customized to owner preferences, combining functionality, comfort, and versatility on board.
