CARPE DIEM

CARPE DIEM is being offered for sale for the first time by her original owner and is in excellent technical condition thanks to professional management and consistent refits. Built by **Trinity Yachts** in 2011, she offers substantial interior volume combined with a shallow draft, making her well-suited for a wide range of cruising areas. Accommodation is provided for 12 guests in six cabins, including three full-beam suites. The master stateroom on the main deck features a private office, lounge, and his-and-hers bathrooms. On the lower deck, there are two large VIP cabins, as well as additional guest suites with flexible configurations ideal for both private family use and charter. The interior, styled in Art Deco, has been meticulously maintained through regular updates.

The main deck features a spacious salon with a bar and dining area, while the skylounge offers an additional lounge with a bar and a games area. Exterior decks include protected lounge and dining spaces, a jacuzzi on the sundeck, and a large swim platform with easy access to the water and dedicated storage for tenders and toys.

CARPE DIEM has undergone extensive technical upgrades: a 10-year class survey in 2021, new generators in 2022, a complete overhaul of the main engines in 2024 with a five-year Caterpillar warranty, refreshed teak, paint, AV systems, and auxiliary equipment. All major systems are maintained on a strict service schedule.

Powered by twin Caterpillar 3516B engines, she reaches a top speed of 21 knots, cruises at 15 knots, and offers a range of up to 5,000 nautical miles at 10 knots. ABS classification, MCA compliance, and commercial registration make her fully ready for international charter operations.

The equipment package includes a 6 m RIB tender, Yamaha and Sea-Doo jet skis, a dive compressor, and a full suite of water toys. AV, lighting, and blinds are fully integrated into a Crestron system with iPad control.
