HALLO

HALLO is a 51-metre megayacht built in 2014 by **Miss Tor Yachts** and refitted in 2020 at **RMK Marine**. Her steel hull, modern architecture, and functional layout provide stability, reliability, and comfort for extended cruising.

HALLO accommodates 12 guests in six cabins: a master suite on the upper deck with a lounge area and private terrace, a VIP cabin on the main deck for convenient access to the principal areas, and four double guest cabins on the lower deck. An 11-person crew ensures consistent service and safe yacht operations.

The sundeck features a jacuzzi and a large sunbathing area; the aft main deck includes a lounge with sofas and a table for informal dining. The swim platform with a folding staircase makes access to the water easier, while the upper deck, with its C-shaped sofa and technical zones, serves as a staging area for water toys.

HALLO is equipped with zero-speed stabilisers for comfort at anchor and two CAT C32 engines, providing a cruising speed of 12 knots and a maximum speed of 15 knots.
