MOTOR YACHT

INFINITO

INFINITO is a 25-metre **Sunseeker Predator 82**, built in 2007, combining high performance with a practical layout ideal for short and medium-range cruising. Powered by twin MAN engines of 1,550 hp each, she reaches a cruising speed of around 22 knots and a maximum speed of up to 32 knots, while her deep-V hull ensures stability and comfort underway.

Accommodation includes four guest cabins: a full-beam master suite, a forward VIP, and two guest cabins to port and starboard. Crew quarters accommodate two to three crew members, and the lower deck houses a galley and storage areas.

The main deck features a bright salon with large windows and an electric sunroof, combining the lounge and dining areas into one open space. Outside, there are generous sunpads on both the foredeck and aft deck, a cockpit dining area with bar, and direct access to the swim platform.

INFINITO is maintained in excellent technical condition and offers a well-balanced blend of speed, functionality, and comfort.
