MOTOR YACHT

THIS TIME NEXT YEAR

THIS TIME NEXT YEAR is a motor yacht launched in 2013 and used exclusively by a private owner. The yacht is in excellent condition, features EU VAT paid, and is registered with a hull length under 24 metres, making her particularly convenient for Mediterranean cruising.

Exterior areas include a spacious flybridge with a bar, dining area, and dedicated storage for a jet ski. A built-in crane provides easy launching of water toys. The hydraulic swim platform ensures comfortable access to the sea, while a fold-down balcony expands the main salon, creating an open and relaxed lounge area.

The layout of **THIS TIME NEXT YEAR** accommodates 8 guests. The full-beam master cabin is located amidships, the VIP cabin occupies the bow with its own private entrance, and two additional guest cabins on the lower deck each feature ensuite bathrooms.

The yacht has been regularly serviced, including work on generators, stabilizers, electrical systems, updated inverters, and fully maintained fire-fighting and safety systems. Recent upgrades include underwater lighting, a new washing machine, and a modern isolation transformer.

THIS TIME NEXT YEAR represents a well-balanced, turnkey yacht with low engine hours, a high level of equipment, and excellent potential for both private cruising and successful charter operations.
