NAVETTA 66

Absolute Navetta 66 is a 19.63-metre cruising yacht designed with a focus on rational layout, efficient use of volume and a strong, seamless connection to the sea. The flybridge brings together the helm station, a dining area and a lounge, while modular furniture allows the space to adapt easily to different styles of relaxation. On the main deck, transparent bulwark inserts enhance outward visibility and visually open the cockpit, while the foredeck serves as its own dedicated sunbathing area.

The salon remains open and highly functional: a concealed TV preserves panoramic views, the dining table adjusts in height, and the furniture can be reconfigured with ease. The galley is separated by a transparent partition, maintaining visual continuity while offering practical division of space.

One of the defining features of the model is the fourth guest cabin - a rare advantage for a yacht of this size. The lower deck accommodates a forward master cabin with large windows and a private ensuite, a full-beam VIP cabin, and a central twin cabin. Crew quarters are accessed separately, ensuring privacy and efficient onboard operation.

Absolute Navetta 66 is a contemporary cruising yacht for owners who value smart design, comfort and the efficient use of space, without unnecessary decorative excesses.
