NAVETTA 75

Navetta 75 is the flagship model of the **Absolute** shipyard, designed with highly versatile exterior spaces and a focus on guest privacy, comfort and seamless onboard circulation.

The outdoor areas are conceived for flexibility. The flybridge can be reconfigured for different purposes - al fresco dining, sunbathing, grilling or lounging. A secondary helm station enhances manoeuvring precision, especially valuable in challenging or busy cruising areas. The cockpit forms a relaxed waterside living space with direct access to the swim platform. Separate crew stairways at both the bow and stern allow staff to move efficiently around the yacht without crossing guest areas, ensuring a consistently private onboard experience.

Interior spaces are defined by a refined, understated style, where volume, proportion and natural light take centre stage. The forward master suite, elevated above the main deck, is the yacht's architectural highlight. Its generous layout, large bathroom and well-designed storage solutions offer a residential level of comfort for extended stays on board. Below, two VIP cabins with ensuite bathrooms and a twin cabin with access to the day head complete the guest accommodation.

Navetta 75 delivers a thoughtful balance of functional elegance, privacy and long-range comfort - an ideal flagship for owners who value space, efficiency and a contemporary cruising experience.
