## ATLANTIS 51

**Atlantis 51** is a 16.18-metre open motor yacht from **Azimut**, combining a sporty character with the comfort required for relaxed coastal cruising. The planing GRP hull, with a 4.55-metre beam, delivers stability and easy handling, while the contemporary exterior by Neo Design highlights the yacht's dynamic profile. Accommodation is arranged for up to six guests in three cabins: a master cabin, an aft VIP cabin with convertible berths, and a third guest or children's cabin. Two bathrooms serve the guest areas. The main deck is conceived as a single open living space with flexible, movable furniture, while generous sunbathing areas are located both forward and aft. Powered by twin Volvo Penta IPS 800 engines rated at 600 hp each, **Atlantis 51** reaches a top speed of up to 32 knots and cruises comfortably at around 26 knots, offering an engaging yet refined boating experience for owners who value performance and versatility.
