ILIA

ILIA is a 2018 **Sanlorenzo SX88** motor yacht and one of the most distinctive yachts in her class. She combines the elegance of a contemporary motor yacht with a more open, water-focused lifestyle philosophy often associated with next-generation explorer-style platforms. Presented in immaculate condition, she has been carefully maintained throughout her ownership by a permanent captain and crew.

The concept of **ILIA** is built around life close to the sea. Her signature open beach club, spacious aft cockpit, generous flybridge, and inviting foredeck lounge create a versatile layout for socialising, relaxing at anchor, and family cruising. One of the yacht's key areas is the swim platform and beach club. Finished with teak decking and arranged with sun loungers, a coffee table, umbrellas, storage lockers, and a crane, this space forms a complete waterside lounge with easy access to the sea.

The main saloon is finished in a bright contemporary aesthetic. Panoramic windows with blinds, sofa areas to port and starboard, a chaise longue, coffee table, and large mirror create an open and relaxed atmosphere. The galley is well equipped for comfortable onboard living, with a Smeg refrigerator and freezer, Miele Vinidor wine cooler, Miele dishwasher, Miele cooktop, generous work surfaces, and well-planned storage, making the space functional for extended stays on board.

Accommodation is arranged for 9 guests across 4 cabins. The owner's cabin includes a double bed, wardrobes and drawer storage, bedside tables, vanity desk, television, and an en-suite bathroom with twin sinks, shower, and bidet. Crew accommodation is arranged separately in two cabins with three berths, supporting guest privacy and efficient onboard operation.

ILIA is powered by three Volvo IPS 1050 diesel engines, one of the defining technical features of the **SX88** model. She cruises comfortably at 20 knots and reaches a maximum speed of 23 knots. Engine hours are approximately 2,024 / 1,910 / 2,043 hours.
