MOTOR YACHT

# BARIC

**BARIC** is a modern **Bluegame BGX73** delivered in 2025 and presented in near-new condition. With minimal engine hours and immediate availability, she offers the opportunity to bypass the construction wait associated with a new build and begin cruising straight away.

The **BGX73** is renowned for its unconventional approach to yacht design and onboard living. Her architecture is centred around creating a seamless connection between interior and exterior spaces, resulting in an open, contemporary environment with a constant visual and physical relationship to the sea. Expansive panoramic glazing floods the interior with natural light while providing uninterrupted views of the surrounding water.

Accommodation is arranged for up to 6 guests in 3 cabins. The yacht's standout feature is her full-beam owner's suite, positioned amidships to maximise comfort and minimise motion while underway. Additional accommodation includes a VIP cabin forward and a twin guest cabin. Separate crew quarters accommodate up to 2 crew members, ensuring privacy and efficient onboard service.

The interior reflects a contemporary Italian design philosophy, combining clean lines, premium materials and practical functionality. Exterior spaces are equally well considered, offering multiple areas for relaxation, al fresco dining and socialising, all integrated into the yacht's innovative layout.

Thanks to **Bluegame's** forward-thinking design concept, highly efficient use of space and near-new condition, **BARIC** represents one of the most compelling opportunities currently available in the 70-foot motor yacht segment for private ownership.
