GRANDE 27

Azimut Grande 27M is a 27-metre motor yacht delivered in 2019 and significantly upgraded through a major technical refit completed in 2025. The most important enhancement was the installation of brand-new MAN V12 engines in June 2025. With approximately 200 operating hours and factory warranty coverage valid through June 2027, the yacht offers a level of reliability and owner confidence rarely found among comparable vessels on the brokerage market.

Designed by Stefano Righini, the **Grande 27M** remains one of the most successful models in the **Azimut** range thanks to its outstanding balance of interior volume, performance and guest-focused layout. Expansive panoramic windows flood the interior with natural light, creating a bright, contemporary atmosphere throughout the yacht.

Accommodation is arranged for up to 10 guests across 5 cabins, including a full-beam owner's suite on the main deck. The layout is completed by two double cabins and two twin cabins, each with its own en-suite bathroom, providing a versatile configuration for families, private cruising or charter operations.

The flybridge is designed as a central social space and features a retractable hardtop, Jacuzzi, bar, BBQ and generous lounge areas. A hydraulic swim platform and tender garage at the stern provide convenient access to the water while enhancing the yacht's practicality for Mediterranean cruising.

In addition to the new engines, the yacht benefits from a comprehensive list of upgrades, including a Simrad navigation suite, Starlink connectivity, KVH TracVision UHD7 satellite system, FLIR thermal camera, GOST security system, a new bow thruster and various improvements to onboard systems and equipment.

With her five-cabin layout, impressive interior volume and extensive technical upgrades, this **Azimut Grande 27M** represents a turnkey opportunity for an owner seeking a modern yacht ready for immediate private use or charter operations.
