MANTA

MANTA is a 24-meter (80-foot) power catamaran built by **Sunreef Yachts** in 2022, designed for coastal cruising with maximum comfort.

The yacht accommodates 10 guests in 4 cabins, including a master cabin with a walk-in wardrobe, desk, and sofa, a VIP cabin, and two cabins with convertible beds. All cabins feature en-suite bathrooms, while the crew has separate quarters to ensure guest privacy.

The main salon features a large L-shaped lounge, comfortable seating, and a dining area for ten. The fully equipped galley connects directly to the forward terrace.

Outdoor spaces include a flybridge with a jacuzzi, a spacious aft deck with dining area, swim platform, and a garage for water toys, including a three-seat jet ski and storage with refueling capability. Sliding doors link the salon and cockpit, creating a seamless indoor-outdoor living and dining area. The foredeck features a lounge area with sunbeds.

MANTA combines the stability and seakeeping of a catamaran with thoughtful functionality and comfort, making her ideal for private ownership or charter use.
